

Summary: *A Dozen Invisible Pieces and Other Confessions of Motherhood*

A Dozen Invisible Pieces and Other Confessions of Motherhood is a hilarious, candid, painfully sweet look at one woman's experience raising three young children. Ushering the reader through the early years of her marriage and work as a Physician Assistant and Childbirth Educator, Hull sets the stage for the challenge she confronts upon deciding to become a stay-at-home parent.

Changing her focus in life from healthcare provider to mother, the author faces unexplained medical problems within her family, including her own struggle with pregnancy-related depression, and finds herself struggling to strike a balance between advocacy and surrender.

With cover-to-cover comedy, strife and genuine drama, *A Dozen Invisible Pieces* will draw the reader through a cascade of emotional highs and lows; laughing and crying from one page to the next.

As summarized by the author, "Motherhood is a full-time, forever more, magnanimous endeavor. It is dirty and sweet, exasperating and inspiring. It is the ultimate challenge; it is the epitome of womanhood."

A Dozen Invisible Pieces is a cross generational story, and a must-have for women on all ends of the Motherhood spectrum.
